Locate Formby on the Ordnance Survey map. Zoom in to take a closer look.

1. What human and physical features can they see? Make two lists
2. Can you see railway lines, tramlines, shops, amusement parks? Can you name two railway stations?
3. How else is land used in the area?
4. Are the features natural (physical) or man-made (human)?
5. What is the difference and how do we know?
6. What can looking at the maps, aerial photos and other images tell us about the people that live in or visit the Formby area e.g. Is it all built up or are there some more rural areas?
7. How can we tell what the distances on the map are? Estimate how far is it from the holiday park to Southport and Ainsdale Golf Club?
8. Tourism and Leisure symbols are blue. Find 10 different blue symbols, draw them down and write down next to them what you think they represent.
