Stuart is a Minion of average height. His goggles, that cover his lone eye, are made of super strength metal and glass and protect his all-important vision. This Minion wears blue dungarees and stylish black gloves which match his comfortable footwear. When he wakes up in the morning, Stuart's first thought is his hair; he hates how he can't get it to stick up like his friend Kevin's does. Stuart, who is the most creative and talented Minion in the group, often serenades his two friends; much to their dislike!
