Wednesday	Today we will read chapter 3 in our zoom session and discuss the new character that is introduced. In our zoom session we will be making notes about what we are told about Bartlett lodge. <u>Task- LO - I can draw Bartlett lodge based on evidence shared and implied.</u> Look at all the information you know about Bartlett lodge. Draw and label a picture with evidence. I have put an example on the website.	<u>THERE IS NO ZOOM SESSION FOR MATHS TODAY.</u> Watching this video will help to remind you how to round to the nearest 10 for today's work: https://www.youtube.com/watch?v=QWsQ0RjCC5g Have a go at the 'Wednesday rounding to the nearest 10' sheet on the website. Have a look at the help sheet on the website to remind you how to do this. If you are feeling really confident you could have a go at the second sheet as well. Suggested game: https://www.topmarks.co.uk/maths-games/rocket-rounding - choose 'up to 9999 to the nearest 10.' I have also set up a times tables rockstars challenge. It only lasts between 11am and 11.20 (the time you would have been on the zoom call). It is Chestnut class vs Sycamore class. Chestnut class this is an extra challenge while you have been doing so well as there are 34 Sycamore children and 17 Chestnut children! I'll let you know the results later. Good luck!
