Dear Parents,

England World Cup Group Games Staggered Start

Lots of our children are enjoying the World Cup and will naturally want to watch England matches live on television.

England's first 2 group games fall on school days and will finish very late at night. England play Croatia on Wednesday 17th June and Ghana on Tuesday 23rd June, both these games kick off at 9pm so will finish towards 11pm.

Therefore, to support our families and children that will be staying up later on a school night, we will be offering the opportunity to come into school at the later time of 10am on Thursday 18th June and Wednesday 24th June.

Both the Early Bird Club and School will be open at the usual times, however, if you do want to take advantage of the later start then you should bring your child to the school office at 10am and they will get their attendance mark as usual.

If parents are bringing children in at the later time following a match, please don't bring children before 10am as this will have a very disruptive impact on our school and lessons. Class registers will be taken at 10.05am and any children arriving after that time will be marked as late.

As you all know, school attendance is vital for our children and we will certainly expect all of our children in school as usual (either in Breakfast Club, at the usual time to come in through the playground gates or at 10am). If you have chosen a school dinner for your child on SCOPay for these days the kitchen will prepare them as usual unless you inform the office they are absent due to illness.

I hope that you all enjoy the world cup matches and England can have a successful world cup tournament.

Yours sincerely,

Nick Huxley
Headteacher
