Aughton Town Green Primary School

Parent Governor Election

Notice of Election

Dear Parents

We have a vacancy for the position of Parent Governor for the school. This is an important post and the Governing Body are very keen to fill the position.

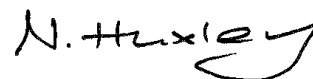

All existing parents of school children are able to apply through a nomination and election process. I enclose a note explaining the role of the parent governor, together with both the nomination and biographical details form. Please read this information carefully.

Should you wish to be nominated for parent governor please complete and return these forms via email to the school office by 12.00 noon on **Friday 8th May 2026**.

Should more than one parent be nominated, a parent election by ballot would be held. It is for this reason that we ask all candidates to give some information about themselves on the biographical form. (Maximum of 60 words)

If you require any more information, please feel free to contact me directly at the school.

Yours sincerely,

Nick Huxley
Headteacher / Returning Officer for Governor Election
