Dear Parents,

Illegal, dangerous and inconsiderate parking at School drop off and pick up times!

Could I ask you once again to reflect on whether or not your parking is potentially dangerous and indeed legal when you are dropping off or picking up children from school?

I have recently been approached by a number of local residents regarding parents who continue to park illegally as they ignore the parking restrictions and as result of this create a real danger to our children!

Of particular concern at the moment, is that parents are parking on the single yellow lines outside the Doctors Surgery and Solo restaurant on Town Green Lane, as well as the continued illegal parking in Sagar Fold. This illegal parking is creating dangers for our children and upset for our community. Can I remind parents that it is illegal to park on the single yellow lines around school between the times of 8am & 9am and 3pm & 4pm.

I have once again requested monitoring visits and support from the Lancashire Constabulary School Parking Team, but their advice to me in the short term was to ask parents and local residents to phone them directly with their concerns, as well as sending in photographs when they see illegal or dangerous parking. I would therefore advise you to do this so that a picture can be painted of the problems faced by the school and residents; we may get more support as a result. The number on the attached information leaflet is : 0800 1952774.

Please reflect on your driving and parking habits to support the safety of our children and the wider community.

Yours sincerely,

Nick Huxley
Headteacher
